### **LEATHER & LGBTQ Cultural District**

*Five Years of Leather in San Francisco*

In recognition of the LEATHER & LGBTQ Cultural District's five-year anniversary in San Francisco, making it the world's first cultural district celebrating the leather community that traces back to the 1960s. For the past five years, the Cultural District has been a safe space for thousands of Bay Area residents to learn more about their LGBTQ+ identity, raised awareness and fought against HIV/AIDS, and celebrated the South of Market's rich leather history through countless events and fundraisers. It brings me great joy, on behalf of the San Francisco Board of Supervisors, to extend my deepest congratulations for five strong years!
